Two plants from which we can serve you promptly

★ PLEASE SEND YOUR ORDER TO NEAREST OFFICE ★

*In Business
over 50 Years*

It has been the policy of our company from the beginning, over fifty years ago, to give our customers quality products with courteous and prompt service.

In this booklet, we are presenting for your consideration, a group of attractive aquariums, oxygenating plants, fishes, scavengers, foods and various types of aquarium accessories.

All shipments travel by express collect. If ordered to be shipped by parcel post, the purchaser must agree to refund any postage which we advance. But, all parcel post packages must travel at purchaser's risk. Live fish are shipped in water and must go by express.

These prices cancel all previous printed lists.

To balance 20 to 25 gallon aquariums

This will be a very special group of the most desirable oxygenating plants and will contain many of the very rare and choice varieties\$3.75

CABOMBA

TROPICAL FISHES FROM TRICKER

Tropical or Exotic fishes are truly a most desirable part of an indoor aquarium. Their striking beauty when placed in a well balanced aquarium is remarkable.

Tropical fish thrive best at a temperature ranging from 72° to 85°.

PLEASE NOTE. Tropical fish showing an asterisk (*) before the name are of a peaceful nature and may be kept in an aquarium with other fish. All containers and packing used in shipping tropical fish must be returned promptly by prepaid express.

PLEASE NOTE. All fish are shipped by express, charges collect.

LIVE BEARING FISHES

Live Bearers are most interesting because they do not lay eggs but give birth to live baby fish. They can be raised in an indoor aquarium.

	Per Pair
* MEXICAN SWORDTAILS. Green body with a light red or orange stripe running from the gills to the caudal fins	\$1.00
* RED SWORDTAILS. Similar to Mexican Swordtails except of a beautiful red color	1.25
* FLAMING RED SWORDTAILS. The most colorful of the live bearing fishes, bright red, of striking beauty.....	1.50
* BLACK SWORDTAILS. A new addition to our large list of beautiful fishes. It is a blue-black color throughout the body and the males have well developed swords.....	1.50
* GOLD SWORDTAIL. Clear gold color with a brilliant pink stripe through the middle	1.25
* TUXEDO SWORDTAIL. The lower body is deep black while the upper is bright red. A rare beauty.....	2.00
* RED HYBRID HELLERI. A real addition to your aquarium.....	1.00
* BLUE-BLACK HYBRID HELLERI. Similar in size to Red Hybrids, except the color is blue-black with yellow eyes, and glistening blue scales	1.00
* BLUE MOONS. Fine light blue color	1.00
* BLACK MOONS. Jet black over most of body, yellowish-red on back and silvery scales near gills.....	1.00
* CRESCENT GOLD MOONS. Golden body with black crescent near tail	1.00
* GOLD WAGTAIL PLATY. Gold color on body and black fins and tail. An unusual and beautiful fish.....	1.50
* RED WAGTAIL PLATY. Blood red body, black fins and tail. Strikingly beautiful.....	1.50
* PURE RED MOONS. Both males and females are clear, blood-red in color	1.00
* MIXED MOON HYBRIDS. Very colorful, but their parentage is unknown75
* RAINBOW MOONS. Better known as Platy Variatus. Highly colored, gold or red tails.....	1.25
* RAINBOW FISH OR GUPPY. Males have all colors of the rainbow25
* GLORIFIED GUPPY. A very recent introduction. Females are yellowish-gold, and the males a brilliant gold with red markings50

1 Pr. Corydora Brazilian Catfish	
(VALUE \$18.50) VERY SPECIAL COLLECTION PRICE.....\$15.75	

VERY IMPORTANT—PLEASE READ

Tropical fish are shipped in metal cans, placed in carton containers for protection against damage in transit. In cold weather, and especially in the winter months, the cans are packed in cartons with insulated material and a chemical heating pad placed at the bottom of the carton to keep the water in cans at proper temperature.

The can, carton, packing material, and heating pad should be returned to us immediately. It will cost only 35c to return them from any part of the U.S.A.

When tropical fish are received, check the temperature of the water in can, and if it is colder than 75°, bring it up gradually by stirring in warm water, a little at a time.

Place the fish in the aquarium, which previously should have been planted, and add one tablespoonful of **Tricker's Fungus Cure** for every ten gallons of water in the aquarium. Dissolve the Fungus Cure first in a glass of water and then stir it in the aquarium. It will act as a tonic and prevent diseases among fishes.

SCAVENGERS FOR AQUARIUM USE

EVERY AQUARIUM OR POOL SHOULD HAVE SCAVENGERS

SCAVENGERS are the housekeepers of the aquarium and relieve you of that responsibility. Snails devour algae, decayed matter, and eat unconsumed food. Tadpoles eat many of the impurities in an aquarium and are particularly helpful with goldfish. Clams or Mussels act as a continuous filter to keep water clear. **IN AN AQUARIUM, USE AT LEAST 3 SCAVENGERS TO A GALLON OF WATER.**

RED RAMSHORN SNAIL

GEOGRAPHIC TURTLE

**LIVEBEARING
TRAPDOOR SNAIL**

COPENHAGEN RED SNAILS

The finest aquarium snails in existence and particularly useful in aquariums. 6 for 55c; \$1.00 per dozen.

BLACK RAMSHORN SNAILS

A very useful snail for aquariums and very prolific as egglayer. Particularly useful in aquariums. 6 for 30c; 50c per dozen.

TRAPDOOR LIVE BEARING SNAILS

These large hardy snails should be in every aquarium, particularly where goldfish are kept. They devour green scum and thus help to keep the water clear. 6 for 55c; \$1.00 per dozen.

MYSTERY SNAILS

A new and unusual snail, very useful and interesting. They lay their eggs above the water on plants or glass. 6 for 55c; \$1.00 per dozen.

TADPOLES

The younger generation of the frog. They devour small insects and decayed matter. Particularly useful in aquariums with goldfish. Harmless to either fish or plants. 6 for 40c; 75c per dozen. (Shipping can 25c extra.)

CLAMS OR FRESH WATER MUSSELS

The clams live by filtering the organic material out of quantities of water, thus helping to purify it. They are particularly useful in clearing green water in an aquarium or pool. 6 for 75c; \$1.40 per dozen.

GEOGRAPHIC TURTLES

Very popular with children and unusually interesting. Can be easily kept in a small aquarium or bowl with a few pebbles or aquarium grit and a few plants. 35c each, \$2.00 for six, \$3.85 per dozen.

COLLECTION S-1.

Independence, Ohio

Saddle River, New Jersey

TRICKER'S QUALITY FISH FOODS

Tricker Foods are prepared and tested by experts and contain only such ingredients as are necessary and essential to all types of fish.

VITALINE. The perfect fish food, correctly balanced. It contains all the nutrients and vitamins necessary to the growth and sustenance of either tropical or goldfishes. Tricker's Vitaline will bring out the color in fishes and promote healthy, robust bodies. 1 Tin, 25c; ¼ Lb., 50c; ½ Lb., 85c; 1 Lb., \$1.50.

Advice and Remedies Did the Job

"My fish are OK again and my lilies are coming up to every expectation now. Your advice and remedies did the job. Thanks a million for everything." Richard A. Werner, Springfield, Mo.

DRIED SUN-CURED SHRIMP. An excellent concentrated food consisting of the meat of sea shrimp. Can be fed to both tropical and goldfish. 1 Tin, 25c; ½ Pint, 40c; 1 Pint Carton, 60c; 1 Quart Carton, \$1.10.

DRIED DAPHNIA. Carcasses of the tiny crustaceans of fresh water fleas that are the natural sustenance of baby fishes. Essential to all fishes. 1 Tin, 25c; ½ Pint, 50c; 1 Pint, 90c; 1 Quart, \$1.60.

IN-NUR-CO. A natural food for goldfish, both for an indoor aquarium and outdoor pool. A completely balanced ration of cereals, meats, eggs, and other valuable nutriment. ¼ Lb., 30c; ½ Lb. Carton, 60c; 1 Lb. Carton, \$1.10.

TURTLE FOOD. An excellent food for your turtles. 2 oz. can, 25c.

INFUSORIA POWDER. A product that will produce Infusoria, or the minute live organisms which newly born fish feed on. Directions for its use are given on the label. If you want to raise young fish use Infusoria Powder, 15c per package.

ENCHYTRAE WORMS. This is the only live food available all year around. Small, thread-like worms that are the only practical living food for tropical fish. The worms are easily raised in a mixture of leaf-mold and light soil by feeding with bread moistened in milk, or cooked oatmeal. Single Portions, 60c; Double Portions, \$1.10.

BRINE SHRIMP EGGS

The most desirable live food. Easily prepared. Directions for hatching the eggs are given on the container.

1-oz. bottle of eggs75c

REMEDIES

WE HAVE made a special study of the maladies of aquarium fishes and will always be glad to give you the benefit of our experience. It will be of great help to you to have some of our remedies on hand at all times.

AQUARIUM CONTROL AND TESTING KIT. This is a complete testing outfit, with neutralizing reagents and indicator for acid or alkali, whichever your aquarium water will show. Also complete directions and pH charts covering a range from 6.0 to 7.6. Complete Testing Kit, \$2.50.

TURK'S ISLAND SEA SALT. A tonic beneficial for all minor ills. Add to your aquarium weekly, one tablespoonful for every five gallons of water. In an outdoor pool add one handful for every 50 gallons of water. This will act as a stimulant to fish and growth of plants. 3 Oz. Box, 20c; 1/2 Pint Box, 30c; 1 Pint Box, 45c; 1 Quart Box, 65c.

TRICKER'S FUNGUS CURE. An antiseptic tonic and healing preparation, particularly beneficial to fish when fins are frayed or the scales coated with white scum or fungus growth. Treat fish directly in the aquarium or pool, using one tablespoonful for every five gallons of water or one handful for every 50 gallons of water twice a week or as needed. 3 Oz. Box, 20c; 1/2 Pint, 30c; 1 Pint, 45c; 1 Quart, 65c.

TRICKER'S DEODORANT AND OXIDIZER FOR POOLS AND AQUARIUMS

This preparation will free your pool or aquarium of **Algae, Green or Foul Water**. It also proves an effective remedy for **Fungus, Anchor Worms and Fish Lice**. Sometimes it is necessary to treat the water three or four times at 3-day intervals. Tricker's Deodorant and Oxidizer is also used for sterilizing pools and aquariums, by using a strong solution when cleaning. 1 oz. bottle, 35c.

C. D. T. COMPOUND. An excellent fish remedy, water neutralizer and water purifier for aquariums and pools. Five drops per gallon of water will cure fish infested with Fluke, Fin Rot, Mouth Diseases, and kills Fish Lice without injuring the fish. Have a bottle of this remedy on hand at all times. 1 oz. dropper outfit for aquariums, 40c; 3 oz. bottle for pools, 75c.

ICHTHYOPHTHERIUS REMEDY. Two drops per gallon will destroy the "Ich" parasites in five days without injuring the plants or fish. Advisable to increase and maintain a uniform temperature of 75 to 80 degrees for tropical fish. 40c per bottle in special dropper outfit.

PURO. Water purifier. Contains chemicals which neutralize excess acid or alkali in the water, purifying it and destroying germs. The pink counteracts Ichthyophtherius; the blue kills Pathogenic germs. 15c each; 2 for 25c.

Fish Foods and Remedies for Pools (Collection No. 302)

KOROSEAL PLANT POOLS

Made by The B. F. Goodrich Co.

COLOR: TRANSLUCENT GREEN

Distributed by William Tricker, Inc.

The **KOROSEAL PLANT POOL** is a portable pool that can be set up in your garden in a few minutes. Nothing to assemble—no rigid frame work. The Pool is simply inflated with air, spread out on level space and filled with water. To empty: press down on side, permitting water to run out.

Durable—It is made of **KOROSEAL** flexible material, abrasion, grease, chemical, and sunlight resistant.

An excellent pool for small gardens.

Can also be used indoors during winter to store your goldfish.

(See page 11 for collection of plants for this pool)

Individually boxed with full instructions for use and shipped by parcel post.
